40-Year Limited Paint Warranty

LIMITED WARRANTY AND LIMITATION OF LIABILITY FOR BURROW CONSTRUCTION LLC QUADRA-LOC AND QUADRA-LOC PLUS STEEL ROOFING AND SIDING PANELS. THIS WARRANTY COVERS WEATHERX SILICONIZED POLYESTER COIL COATING SYSTEMS ONLY.

Burrow Construction LLC is pleased to present you with our 40-year Valspar Weather X Siliconized Polyester limited Warranty, which is as follows:

- Will NOT crack, check or peel (lose adhesion) for forty (40) years from the date of installation. This does not include minute fracturing, which may occur in proper fabrication of the building parts. *Failure due to substrate corrosion is excluded.*
 - SIDEWALL PANELS (for thirty (30) years from installation)
 - Will NOT chalk in excess of ASTM D-4214-98 method D659 number eight (8) rating.
 - Will NOT change color more than five (5) Hunter ^E units, as determined by ASTM method D-2244-02. Color change shall be measured on an exposed painted surface that has been cleaned of surface soils and chalk, and the corresponding values shall be measured on the original or unexposed painted surface. It is understood that fading or color changes may not be uniform if the surfaces are not equally exposed to the sun and elements.
 - ROOFING PANELS (for thirty (30) years from installation)
 - Will NOT chalk in excess of ASTM D-4214-98 method D659 number six (6) rating.
 - Will NOT change color more than seven (7) Hunter ^E units, as determined by ASTM method D-2244-02. Color change shall be measured on an exposed painted surface that has been cleaned of surface soils and chalk, and the corresponding values shall be measured on the original or unexposed painted surface. It is understood that fading or color changes may not be uniform if the surfaces are not equally exposed to the sun and elements.
- In case of a complaint, you will provide access to us and assist us as necessary in determining the exact cause of the failure. ASTM and NCCA testing procedure will be used.
- If our WeatherX Siliconized Polyester family of coil coatings fails to comply with our limited Warranty, we will pay for labor and material reasonably necessary to repaint, repair or replace, at our option, the building part showing the failure. However, our liability shall not exceed the original purchase price of metal panels. In order for the warranty to be in effect, however, you must notify us in writing of the failure within thirty days of the discovery of such problem and must provide any documentation that we may require. If we repaint, we will use normal painting practices using WeatherX Siliconized Polyester or other suitable alternatives. This Warranty also applies to the part we repainted, repaired, or replaced but only for the unexpired portion of the Warranty period applicable to the original part.
- This warranty will apply only to metal that is coated with WeatherX Siliconized Polyester and used on property located within the Continental United States, Alaska, and Canada.
- Some colors may not meet our high standards. The Warranty applies only to colors that are on our approved color lists. This will be noted when a color match is submitted.
- We need to make clear that this is our only Warranty concerning these WeatherX Siliconized Polyester coil coatings and that we have no other obligations concerning them. Please understand the following:
 - Except for this Warranty, we make NO WARRANTY OR GUARANTEE, EXPRESSED OR IMPLIED, WITH RESPECT TO THE WEATHERX SILICONIZED POLYESTER FAMILY OF COIL COATINGS. IMPLIED WARRANTIES OR FITNESS AND MERCHANTABILITY ARE EXCLUDED. Further, we have no other liability with respect to the WeatherX Siliconized Polyester family of coil coatings, whether based on Warranty, negligence or any other legal theory. For example, we have no liability for consequential damages.
- This is our complete Warranty. It sets out all of our obligations regarding the WeatherX Siliconized Polyester coil coatings. It is only for your benefit and is not assignable. Such things as your purchase order forms or our acceptance forms cannot change it. Burrow Construction LLC will not warranty the performance of products coated with the WeatherX to any party more commercially remote than the original owner of the metal building constructed with the product.
- Continued on reverse...

- Our LIMITED WARRANTY DOES NOT APPLY to circumstances which we do not control, including:
 - Acts of God, falling objects, explosions, fire or other such similar or dissimilar occurrences beyond our control;
 - Unusual or harmful fumes, chemically aggressive environments, foreign substances in the atmosphere, standing water or salt spray;
 - Misapplication of the Weather X Siliconized Polyester coil coatings (that is, the coating was not applied in accordance with specifications and instructions as outlined on product data sheet);
 - Improper treatment of or defects in the metal or in the fabrication; and
 - Stored or installed in a way that allows for poor air circulation;
 - Stored or installed in a way that allows for contact with animals or animal waste;
 - Mishandled products, e.g., ANY PRODUCT THAT HAS BEEN ABUSED, ALTERED, MODIFIED, USED IN A MANNER NOT ORIGINALLY INTENDED, OR STORED CONTRARY TO OUR INSTRUCTIONS, including damage to the product occasioned by condensation attributable to improper packaging, handling, shipping, processing, and/or installation as well as damage due to failure of substrate.

- For our Warranty to apply to you, you must maintain certain records. You need to make them available to us for inspection and copying. These are:
 - Records necessary to identify the Weather X Siliconized Polyester coating involved in a complaint. (Information that will allow us to obtain batch number and application date from your coater).
 - Normal production records and quality control records of tests required by our specifications.
